Communication

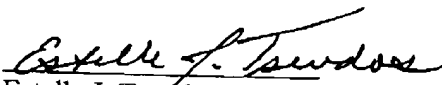

This communication is in response to a requirement for information that was mailed from the United States Patent and Trademark Office (U.S.P.T.O.) on May 25, 2000. (Attached as Exhibit 1). The requirement for information requests documentary evidence of the complete chain of title from the inventors, Porter W. Anderson and Ronald J. Eby, to the University of Rochester. The May 25, 2000 requirement appears identical to the requirement for information mailed from the U.S.P.T.O. on May 1, 2000. (Attached as Exhibit 2). ~~Applicants filed a response to the May 1, 2000 requirement on May 18, 2000.~~ (Attached as Exhibit 3). As such, it is Applicants' belief that the papers filed on May 18, 2000 contain all the information required for responding to the May 25, 2000 requirement.

Applicants are hereby submitting this communication to the U.S.P.T.O. by facsimile,

as instructed by Karen Tyson, Senior Legal Advisor, Office of Patent Legal Administration, Office of the Deputy Commissioner for Patent Examination Policy. During a June 5, 2000 conversation with Applicants, Ms. Tyson directed Applicants to fax the present communication to her, since the U.S.P.T.O.'s records did not have record of the U.S.P.T.O.'s May 1, 2000 requirement for information. This communication is being provided to the U.S.P.T.O. and Ms. Tyson.

Respectfully submitted,
